The left column is titled 'Sign In/Renewals' and contains an 'Email:' field, a 'Password:' field, a checkbox for 'Keep me logged in on this device (for non-public computers and devices)', a red 'LOGIN' button, and two links: 'I forgot my User Name...' and 'I forgot my password...'. The right column is titled 'Sign Up/New Subscribers' and contains a red 'CREATE' button. Red arrows point from the 'SIGNIN' button in the first screenshot to the 'Email:' and 'Password:' fields in this screenshot. Another red arrow points from the 'I forgot my User Name...' link to the text below.

If you forgot your user id email address, click this box. Or, if you forgot your password, click on this box.

Step 3 – Your account pulls up with your subscription history.

The screenshot shows the user interface for a Gulf Energy account. At the top, the Gulf Energy logo is on the left, and 'HELLO ALICIA LOGOUT' is on the right. Below the logo is a navigation bar with several categories: World Oil, HYDROCARBON PROCESSING, PETROLEUM ECONOMIST, GAS PROCESSING & LNG, Pipeline & Gas Journal, underground construction, and CONSTRUCTION BOXSCORE DATABASE. Below this is a grey bar with 'Hello Sample'. The main content area is titled 'Subscription History' and contains a box for 'Subscription #391221 for Hydrocarbon Processing (Not Started)'.
