### Legend

gas or gas/condensate fields	operating liquefaction / export plants	oilfield(s)
oil and gas field(s)	under construction liquefaction / export plants	oil refinery
gas processing plant (GPP)	planned liquefaction / export plants	oil storage facility
gas processing plant (GPP) under construction or planned	proposed liquefaction / export plants	oil tanker terminal
underground gas storage	operating regasification / import terminals	oil pipeline(s)
underground gas storage under construction or planned	under construction regasification / import terminals	oil pipeline(s) under construction or planned and proposed
Gas pipelines	planned regasification / import terminals	oil pipeline multi-laid
gas pipeline(s)	proposed regasification / import terminals	major pipeline project name
gas pipeline(s) under construction or planned and proposed		pipeline diameter in inches (where known)
major pipeline project name		
pipeline diameter in inches (where known)
